Closure of small pesticides manufacturing units

2496. SHRI K. KALAVENKATA RAO ; Will the Minister of COM MERCE AND INDUSTRY be pleased to state:

(a) Whether small pesticides manufacturing units are lacing closure on account of excise duty" and

(b) if so, the measures taken to assist them to compete in foreign market with their export ?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (DR. RAMAN): (a) and (b) The earlier excise duty' structure of 18% on technical grade pesticides and 8% on pesticide formulation which had placed small scale pesticides manufacturing units in a disadvantageous position has been rationalised in the recent budget (2000-01) and will now be levied @ 16% on both technical grade pesticides as well as formulation. This is in response to the problems projected by small scale pesticides manufacturing units. The Gwernment is also extending Market Development Assistance through various Export Promotion Councils to assist small scale manufacturers and exporters to compete in foreign markets.
